

MICHIGAN BORN & BREAD

Established in 1973 and rooted in Detroit, Michigan Bread Company has been a family-owned and operated business for almost five decades. Throughout the years, the company has dedicated itself to baking and distributing top-tier baked goods to restaurants, hotels, and retail outlets. Utilizing a unique baking process, they employ cutting-edge equipment and the expertise of trained bread makers.

While their baked goods are artisanal in nature, they perform exceedingly well in commercial applications. Additionally, all their products are free from artificial preservatives, colors and flavors.

With a meticulous and artful approach to crafting their goods, Michigan Bread invites you to serve their products with confidence, knowing that you are providing your customers with something exceptional.
